I request copies of all files, correspondence, or other records concerning **myself and my deceased father**. To assist you with this search I am providing the following information about myself and my father:

My full name: **First Middle Last aka /FIRST MIDDLE LAST (For any straw man being used)**

Other first names used: **XXXXXXXXXX**

Other last names used: **XXXXXXXXXXXXXXXXXXXXXX**

My date of birth: **XX/XX/XXXX**

My place of birth: XXXX, XXXXXX

My Social Security number: XXX-XX-XXXX

Please search both your automated indices and the older general (manual) indices, as well as any and all Field Offices. I have lived in **list all placed you have ever lived in general, cities/states.**

I'm requesting and seeking access to all records, files etc., regarding pertaining concerning or related to myself for any reason, for the dates requested in that FOIA/PA request, including all records, files, correspondence, documents, emails, audio and video surveillance footage, processing records, control files, evidence, proof, documentation, traces, confirmation, verification, testimony, witness notes, memos, registers, notations, information, entries, files, details, data, facts, etc., of any kind and for whatever reason, responsive to that request, for the dates of nine months prior to my birth on **Month XX, XXXX** to The current date. Today is **XX-XX-XXXX**.

Add your personal situation instead of the next paragraphs that I used for my FOIA for onset of disability if any. If you are not disabled, you might just include when targeting of you was first noticed and any documentation you have about those dates. Family members can be included here if you have a right to view their information:

Many family members and I are being assaulted by radiation weapons & extra judicial targeting. Many members of my family and I appear to be being used surreptitiously for brain and/or radiation research without our conscious consent.

These experiments have persisted even though past President, Bill Clinton promised never again would this happen. These experiments and data collection appearing to be in the direction of neuro-subjugation medical research did not cease, but appear to have expanded to a massive worldwide scale.

My father eventually was murdered in this way. I want ALL his data too. His name, whether in lower case or all CAPS if a straw man was used, is First Middle Last have not spelled his middle name correctly and list it as Middle. His birth AND death date was Month Day. Born Year and died year. He was born in City, State and died in City, State. His Social Security Number is XXX-XX-XXXX. His Army service number was US XXXXXXXXX

This is happening to family members of mine who are children, the youngest of whom is age, but this appears to have been happening to him from conception his entire life as does mine.

I am filing this FOIA Request under great distress and Directed Energy Torture right now that moved from covert torture where my body became disabled from these weapons and I had to seek disability retirement from my teaching career, to overt torture that started approximately Month XX, XXXX.

I request now all records, files etc., regarding pertaining concerning or related to myself for any reason, for the dates requested in this FOIA/PA request, including all records, files, correspondence, documents, emails, audio and video surveillance footage, processing records, control files, evidence, proof, documentation, traces, confirmation, verification, testimony, witness notes, memos, registers, notations, information, entries, files, details, data, facts, etc., of any kind and for whatever reason, responsive to this request, for the dates of conception onward of nine months prior to my birth through **Month XX, XXXX** through the present day, that are currently in the possession, custody or control of the CIA to include ANY CONTRACTORS USED. Today is **XX-XX-XXXX**.

I assume this program may have been placed UNLAWFULLY into USAPs or black projects after people found out and came forward to sue the government during the last round of nonconsensual radiation experimentation that happened that never ceased and only expanded.

So, I want those records regardless of what program they may have been classified into as you all may not classify programs to hide criminality nor embarrassment as you should well know.

This is a request for **research, study purposes at present, and I agree that I will pay up to \$30 for fees, if necessary.**

Please notify me in advance if fees are expected to exceed that amount. If the file is likely to result in more than 250 pages, I would appreciate receiving a digital copy of the file on an appropriate, non-infected, non-weaponized, storage device such as a thumb drive rather than in paper form.

If you have any questions, please call me at **XXX-XXX-XXXX**.

Under penalty of perjury, I hereby declare that I am the person named above and I understand that any falsification of this statement is punishable under the provisions of Title 18, United States Code (U.S.C.), Section 1001 by a fine of not more than \$10,000 or by imprisonment of not more than five years, or both; and that requesting or obtaining any record(s) under false pretenses is punishable under the provisions of Title 5, U.S.C., Section 552a(i)(3) as a misdemeanor and by a fine of not more than \$5,000.

Sincerely,

First Name Last Name
