Our Still Small Voice

The Mp3's in this file go with the numbered reversals below that I found in the speech of Chris Watts and Nichole Kessinger. So, once you've read the reversal and its interpretation, you can listen to the corresponding Mp3 file in this folder.

What is Reverse Speech and what is Biden's Global Syndicate's nano-technology war on humanity?

I knew nothing about this case when I began this project. A friend of mine asked me to look at a particular part of Chris Watt's speech. I did and got a reversal referring to a crystal. I'm still not clear about what all that was about, but here's a link that does bring up a crystal connected to this case. As I continued my research, other questions came to mind about possible connections that would need more research.

Chris Watts:

F1: [If they're not safe right now, that's what's tearing me apart.]

R1: **Slip, her ALF made crystal sit. Snuffs that bind our face, honored it.**

F = 0:00:25 to 0:00:29, R = 0:00:25 to 0:00:29

- Connected to them not being safe now that's tearing him apart is a slip of some sort connected to an Ai that stopped or took no action or came to rest in some way connected to a crystal. Snuffs, perhaps the snuffing out of lives, that bind the true self, honored the Ai. Is an Ai being honored by killing humans in some way here? Is this Optase crystal one that came to rest under Bella's bed? Does it have properties that make it useful for the Stasi Ai surveillance software program being rolled out that may be being described in the RS below?

Nichol Kessinger:

F2: [I went upstairs.]

R2: **Sir aid, spy A-ware.**

F = 0:02:25 to 0:02:26, R = 0:02:25 to 0:02:26

- A, likely Ai, is aiding someone or some group connected to spy-ware. Could this be bringing up Ai surveillance software?

F3: I went upstairs once and it was like to their little play room and I just like looked at it and I was like that's super cute that your girls have books and that was like it. And other than that I have never been in any of those rooms in the upstairs like to me it was like you don't, no like ever I have no. So I don't know if he has any other TVs. I'm assuming by like how much other nice stuff [they have in their house it wouldn't surprise] me.

R3: **See actress. Knew it was war hammer the head.**

F = 0:02:25 to 0:02:47, R = 0:02:45 to 0:02:47

- Connected to going upstairs and what is in their house that was not a surprise, is someone who is acting (like an actress, or acting like she doesn't know things that she does actually know) who knew what was really going on was a war connected to hammering the head in some way.

F4: [to rooms in the upstairs like to me it was just like you don't]

R4: **Marred, we kill. Sow-charade instills her in spineless murder.**

F = 0:02:36 to 0:02:38, R = 0:02:36 to 0:02:38

- Connected to rooms upstairs that are NOT supposed to be gone into is impairment and killing connected to sowing something that's untrue that gradually but firmly establishes her, possibly Kessinger, into murder that is cowardly.

F5: [And so for me out of respect just for like whatever situation he had going on and the fact that it's not my home, I thought it was better to]

R5: **The drugs of widow warfare mock war apostate dead path hangin' on your gain chose this her riddle. The ALF nerve set cancer by aim are forcin' it.**

F = 0:03:46 to 0:03:55, R = 0:03:46 to 0:03:55

- Connected to the claim being made in the forward speech are drugs being used in warfare that cause disconnection to higher consciousness, connected to something fake, or being faked, and moving away from God connected to a path of death where she has chosen to use to confuse and get something for, or gain from. Connected to this is an Ai connected to a nervous system that is aiming to cause cancer and/or poisoning by aiming and by force.

CONCLUSION-

I'm wondering if Nichol Kessinger is part of the global Stasi network getting very well-paid to aid, or be a handler in targeting people with radiation weapons, chemical weapons, and bioweapons for exploitation and depopulation, especially used on unsuspecting civilians and their families, that is being used to attempt to bring in a global Communist gulag that is actually masking a global transhuman totalitarian war on humanity. This program used to be called Mk Ultra and is currently called Phoenix. More information on that below. Corrupt factions of this Stasi network will be found in our Government, Higher Learning, DOD, Military, FBI, DHS, Corporate, and others in this global Public/Private Partnership. I've put many research links below.
