F1: [Well I'm very pleased to again have Elena Danaan back with us on Exopolitics Today.]

R1: **The ad that skit little pest get Mossad through ad man at Dan-ill then they grow seal Europe in my orb.**

F = 0:00:09 to 0:00:15, R = 0:00:09 to 0:00:15

- Connected to having Elena on the show and likely is commenting on what they are going to be talking about on the show is an ad campaign using skits connected to little pests and Mossad via ad men (snake oil salesmen) from the ill Dan, possibly the Tribe of Dan. All of this is connected to growing and securing bloodline (likely transhuman syndicate bloodline) programming.

F2: letting people know about the activities of the Galactic Federation that she works with [very closely. So I want to welcome you again Elena to Exopolitics today.]

R2: **Yeah, that's his opposite, loose Pan-illa and they dream. Oh, and now I seal sell Europe.**

F = 0:00:25 to 0:00:35, R = 0:00:30 to 0:00:35

- This reversal will likely be describing what is actually happening with Elena and Exopolitics today very closely. It is affirmative that what is being talked about in the forward is the opposite of what is being expressed and is connected to being loose, Pan, ill, and a female, in other words, a promiscuous female with an illness connected to Pan, a metaphor for sexual perversion, pedophilia, and rape, that is a dream, or is not real in some way. This information is consistent with all other UFO and ET information coming through from others in the massive amount of work I've done on this already.
- Then Michael Salla sees that he's concealing the selling of a bloodline of some sort. This is likely to be information coming from himself that he is not consciously aware of. The bloodline is likely to be the transhuman syndicate bloodline that keeps coming up repeatedly in Reverse Speech in The Grand Deception being built by this scamming transhuman cult.
- In all the RS I've done so far, it is looking like The Secret Space Program is actually testing for the coming Artificial Reality Parasitic Matrix where humans are fed off of as they are fed fantasy in a never ending realistic video game hooked up to other humans who are also imagining in a dream state.

Video companion to the RSA I did on that- RSA link is in the video description box-

- "Who is Pan? Pan is the demonic pagan god of sexual perversion, pedophilia and rape. He's also portrayed roaming through the forests, penis erect, drunk and lascivious, frolicking with nymphs and piping his way through the wild. We might say he ruled the lower nature of man, its animal side. The attributes or symbols associated with Pan are woods, pastures, umbrella, phallus and the flute(also called Pan flute). He is depicted with goat's feet and two horns, and wearing a lynx-pelt." <http://sosymbol.tumblr.com/post/13756315702/who-is-pan>
- That cult is trying to use all sorts of excuses and justifications to clean up the reputations of their Satanic behavior by telling you these things are simply misunderstood and wrongly labeled by prudes. But, they are showing up in both forward and reverse and dark and parasitic including Pan, so don't let that manipulation fool you.

F3: He is a fleet commander um so uh we have this telepathic communication and [this is facilitated by] a device that I have implanted in my head.

R3: **AR, the safety to self-seat, seedin' it.**

F = 0:01:03 to 0:01:14, R = 0:01:09 to 0:01:11

- Artificial Reality is connected to feeling safe to seat the self into AR that is being seeded here is what is being facilitated through the clever use of a Mossad skit in the direction of The Grand Deception from all the other RS I've done on all this. This looks to be seeding in the AR by selling it and making and using this technology in order to lure the target into the entrapment.

F4: This device is activated by sometimes outburst [of emotion.]

R4: **The show-MIT fart.**

F = 0:01:17 to 0:01:23, R = 0:01:22 to 0:01:23

- Emotion is connected to sabotage and MIT. Could MIT be Massachusetts Institute of Technology? So this looks to me like using emotion (emotional manipulation) in a skit to sabotage likely connected to the part of the transhuman syndicate running through Mossad and MIT, who are clearly indicated to be involved in targeting humans for nonconsensual human experimentation, exploitation, and sabotage... In other words, they look to be traitors to humanity right along with the rest of that transhuman syndicate.

F5: I was rescued in the process of these abductions by [benevolent aliens.] Some of them were from the Pleiades.

R5: **Snake at nail-vetter.**

F = 0:03:27 to 0:03:41, R = 0:03:33 to 0:03:35

- Connected to what she believes are benevolent aliens is deception about what she thinks is being built and likely also connected to death.

F6: I was rescued in the process of these abductions by benevolent aliens. [Some of them were from the Pleiades.]

R6: **Sleep aid with our film made lovers.**

F = 0:03:27 to 0:03:41, R = 0:03:39 to 0:03:41

- Connected to benevolent aliens from the Pleiades is falling in love with something causing sleep and being disassociated from an event and viewing it from outside. This sounds like a description of hallucinogenic tech that may happen during sleep. I've had a couple of those experiences, actually.
