## Greg Giles is waking up from the mindcontrol

Posted by [Andronover](#) on January 17, 2016 at 6:51pm in [Ascension and Awakening](#)

Most of the "channelings" are made up by CIA , and sent to certain "telepaths".

The truth shall set you free , but first it will piss you off.

### Message from Greg Giles ~ 'Channeled Messages' & their Link to Mind Control Programs

Hello everyone. I will be taking down this blog shortly in the days ahead as I do not want to see anyone else entrapped in the horrible U.S. government PSYOPS (psychological operations) program that had lured me into it's trap some years ago and has refused release of it's clench on me and my life. At this time, I am leaving this blog up simply to get this message out to the remaining visitors, and hope they will help share this message far and wide and reach those who have formally followed my work. (I have been unable to delete the associated content, as PSYOPS agents have successfully hacked this Blogger program.) The so-called 'channeled messages' I received claiming to be from my soul family from the stars were in fact simple radio waves sent by U.S. government agents, allegedly from an agency of the U.S. Department of Defense or the U.S. intelligence community, working in concert with volunteers, many of which are secret society members who help propagate enormous numbers of hoaxed news stories of UFOs and related space news, building a backdrop for a PSYOPS program that lures science and spirituality-minded individuals such as myself into their web. This program, commonly referred to as *electronic harassment*, has destroyed my life completely and continues to devastate my life until this very day, but I am certainly not alone, as the number of victims, known as *targeted individuals*, or *TI's* for short, grows exponentially each day.

The electronic harassment operators are relentless, showing little or no mercy, keeping me under total surveillance, tormenting me, torturing me, and attempting to reprogram my mind as I sleep, turning my dreams into nightmares, effectively altering my behavior and free will choices as I continue through the mercifully final days of what was once my life. They have also in the past, and again very recently, scarred my body with their electromagnetic/microwave *neuroweapon* technology in a successful effort to control and negate my relationship with a woman who is now gone from my life.

There is no recourse I have been able to uncover to shelter from this evil program. Their weaponry envelopes us and follows us everywhere, sharing space with cell phone towers all throughout the U.S. and the entire globe, soaking our airwaves with the digital information of their hellish nightmare. There exists endless documentation throughout the internet concerning government mind control programs and the technology used against the people, and it is advisable to familiarize yourself with this technology, as the spread of knowledge is our best and only defense against this despicable evil that will not stop until every last member of our society is a prisoner of his or her own altered mind. That is their sick and twisted plan - the construction of the dystopian nightmare forewarned by George Orwell throughout the pages of his prophetic *Nineteen Eighty Four*.

My advice to all is to stay clear of all these stories of UFOs, extraterrestrials, channeled messages, and psychic mediums speaking to the dead, as these fictitious news accounts and dubious television programs are a direct part of, or at the least, stand as compliment to, the hugely encompassing plan to desensitize and familiarize the public to synthetic telepathic communication, a simple but very effective feat of technology essential to mind control reprogramming. (I personally believe we come from somewhere in this universe and we are also not alone, but this is a subject matter useless and dangerous to explore at this present time, as a vast majority of the related news stories are complete hoaxes devised solely for use as backdrop for these mind control programs. I also feel there may be a number of differing programs, though all earthly conceived by human hoaxers, that list among their tools so-called channeled messages, and not all may conceal mind control at the heart of their agenda. I can only speak of the program of which I became an unsuspecting participant.)

I humbly and sincerely apologize to anyone and everyone who has followed my work as a so-called channel of the Galactic Federation and the Ashtar Command. There is no denying my complicity, and I accept full responsibility for my actions. Soon I will be judged by our true higher powers in this universe, and may God have mercy on my soul for helping steer so many of you so far astray and into the clutches of this devilish, life destroying mind control program. I am forever truly sorry.

Greg Giles

So true Hellen , and also to transport us into space.

The ironic thing is that we already have Tech to fly into space , cure every disease , include AIDS and to build free energy devices for everyone.

We must stand up against the Khazar banksters , be those who sits on the Money , Controls the governr qoute Rothshilds)

And they Controls the CIA and other nefarious organizations , who can exercise mindcontrol of the population through media etc. , and also Control "channelers" messages.

Giles is again refusing to take responsibility for his ego and actions, his words contain cognitive dissonance... blaming the "psyops" or government is his attempt to not take responsibility for lying to us, however you don't see him returning the money he no doubt accrued for lying. ET's no doubt exist, however, he is basically saying that "he doesn't get it" and if he doesn't, then nobody can. Waste of time and energy to think about his ploys for attention, but thank you for bringing this our awareness in the hopes of education... with critical thinking, we can make decisions and learn for ourselves.

From what I could gather, it became obvious that he was being hacked. I have since learnt somewhere, maybe here, that every single gifted telepath has individuals trained and assigned and on duty to harass, misinform, hack and destroy their clear channel, for obvious reasons.

If you watch TB Joshua, the evangelist healer from Nigeria, on Emmanuel TV, youtube, the 'demons' that he frequently speaks to in people typically say that the person they are sabotaging is a very bright shining star, and they had to interfere or else there would be more and more powerful healers. However all of the 'demons'

were scared of Jesus Christ, not even wanting to speak name.

I don't think that Greg has to apologise either, as he didr for this to happen.

Namaste :)

"However all of the 'demons' were scared of Jesus Christ, not even wanting to speak the name."

That's because they knew that he was God manifested on this planet.

Jesus were a doubleincarnation of Esu Immanuel Kumara and creatorson Christ Michael Aton .

He is here now on ship , and he will do his eigh bestowal and second on this planet.

It's called the second coming.

We are living in the endtimes in the last minute now.

Andronover · January 18, 2016 at 6:55pm

I must give kudos to Greg for being strong and honest to share this information.

Please forgive him Father , because he did not know what he did.

Tally · January 18, 2016 at 7:26pm

I don't think anyone needs to ask/beg for forgiveness... We just need to be present, where we are now, and continue on in our highest expressions we can muster, (if that is our intention). We're all 'masters in the making', becoming masters at making... So we just need to focus more on being in our higher expressions... and dropping off any 'lower expressions'. There's no need to 'live/dwell in the past'... Just Be Present.
