Treatment's the same whether you got the synthetic virus or you got the real virus, the treatment's the same—

Vitamin C and D(3)

Ivermectin

Hydrochloroquin

Ozonated Cremes and oils on your skin

Glutathione (NAC)

Type 1 Interferons

Peptide T and Immune Modulating Peptides

If used correctly, Chlorine Dioxide can be used.

Ozone Therapy (Research Frank Shallenberger- <https://www.ozonemasterclasses.com/dr-frank-shallenberger-md/>)

Don't wear a mask because that cripples your own immune system (read book Case Against the Mask)

Stop right now getting any other shot ever again. Any other shot is going to kill you including flu shots because they contain Corona Viruses.

DO NOT USE PINE NEEDLE TEA. PINE NEEDLE TEA IS NOT THE SAME AS SURAMIN.

Fact-

Vaccines have never been tested since 1989 with a double-blind placebo controlled study.
