Abstract

Revision H: CIA Offices located at 2929 Allen Parkway, Houston, TX 77019. As a journalist, this information is provided as a public service. Notice the excessive building security - worse than airport security. Look for vehicles in the parking garage with dark tint windows, especially the front windshield. Look for many stickers on the front windshield. Note that the Federal Government owned about 80% of the AIG corporation, after the mortgage collapse of 2008. Many CIA agents are residing in the Camp Logan neighborhood (zip code 77007) at taxpayer expense. These homes cost up to \$1MM. (1) In this neighborhood, they prefer homes with iron gates & fences. (2) Watch the mail & package deliveries (3) "Street joggers" and "repairmen" are used as Security Guards (4) Data signal sent from roof of AIG Building – 2929 Allen Parkway. Numerous

authors and bloggers have identified the connections between corruption at the CIA, FBI, and NSA, and the Council on Foreign Relations (CFR). The CFR has been called the Shadow Government. According to President Bill Clinton in 1994, "There is a government within our government, and I do not control it." At least one author has called their activities, Treason. They have been involved with murder, torture, kidnappings, drug smuggling, weapons deals, the funding of ISIS and Al-Qaida, numerous false-flag operations, bribery, threats to government officials, etc. Information is provided in this ebook documenting the CIA and FBI involvement and planning of the 9-11 events. Additional information on some of the murders committed by the CIA and FBI are provided. This information is being released due to the accurate information about CIA Satellite Terrorism provided by Dr Barrie Trower, former British intelligence agent, and Dr John Hall, M.D. See their youtube videos. The Council on Foreign Relations are the real terrorists, using the CIA, NSA, and FBI to do their dirty work. Readers are encouraged to review this information and make informed decisions. According to Ted Gunderson, former FBI Chief - "The CIA and FBI are behind most, if not all terrorism."

1. Introduction

World Trade Center, 9-11
CIA & FBI False-Flag Operation

1) Michael Springmann was the former head of the American visa bureau in Jeddah, Saudi Arabia. While stationed in Saudi Arabia, Springmann was repeatedly ordered by the CIA and high level State Dept officials to issue visas to terrorists, prior to 9-11.

Springmann objected repeatedly, complaining to his superiors that the applicants were known terrorist recruits of Osama Bin Laden, and many of these visas ended up being the 9-11 hijackers. Springmann filed numerous complaints with his superiors, he wrote to Senators and Congressmen, and was eventually fired by the State Dept. See his video here: www.youtube.com/watch?v=zgYFo79q1Ek

2) Two University professors filed lawsuits (2007) against for US Government for scientific fraud and the cover-up of 9-11. Dr Judy Wood and Dr Morgan Reynolds (Texas A&M) presented volumes of evidence that we were not told the truth about the World Trade Center and its collapse. Dr Reynolds worked in the Bush Administration and had personal knowledge of the cover-up.

3) A summary of evidence and conclusions from "Where did the Towers Go?", by Dr Judy Wood, PhD.
Dr Wood has a PhD in Material Science, and has taught engineering classes as a University Professor:

3.1) The "official" government explanation for the destruction of the World Trade Center (WTC) on 9-11-2001, is scientifically false.

3.2) The near-complete absence of rubble after the towers destruction cannot be explained by physics.

3.3) Repeated evidence from multiple sources that the weight of the WTC buildings never hit the ground.

There were no significant seismological readings for 1 millions tons of falling building material.

3.4) Numerous video clips taken of falling steel beams, turning into dust as they fell. These steel beams never hit the ground. <http://drjudywood.com/wtc/>

4. Smoking Guns - Numerous senior government officials, CIA, and FBI had knowledge about the pending attack, well in advance.

<http://911review.org/Sept11Wiki/SmokingGuns.shtml>

4.1) Pentagon was on High Alert on September 10th and didn't allow their employees to fly the following day

4.2) Tape interview with Tom Kennedy of FEMA, Dan Rather of CBS, who claimed that FEMA was already in NYC on September 10th

4.3) In the 5 days prior to Aug.23rd the CIA received 8 to 10 confirmed warnings by different secret services of the world. Another warning was by the Taliban itself, which was confirmed by the Department of State and Embassy in Pakistan.

4.4) 40-60 early warnings between the last weeks before Sept11th plus reports about high alerts in many Air Force bases on 10 Sept.

4.5) Indictment against 2 FBI agents and 3 other persons who organized insider trading, knowing of the attacks, reported by the NY TIMES or CNN Money and confirmed by prosecutors and lawyers including U.S. Attorney Ken Breen.

4.6) Three photos from November 2000 of a military website, where a miniature model of

the Pentagon was attacked by a plane.

4.7) All 19 hijackers connected with CIA, or other intelligence services. Atta, Mohammad was on watchlist since 1998.

APPENDIX

In the three-year period which followed the murder of President Kennedy and Lee Harvey Oswald, 18 material witnesses died - six by gunfire, three in motor accidents, two by suicide, one from a cut throat, one from a karate chop to the neck, three from heart attacks and two from natural causes.

An actuary, engaged by the "London Sunday Times," concluded that on November 22, 1963, the odds against these witnesses being dead by February

1967, were one hundred thousand trillion to one.

A 78-year old retired officer of the CIA, Normand Hodges, has made a series of astonishing confessions since he was admitted at the Sentara General Hospital on Monday. He claims he committed 37 assassinations for the American government between 1959 and 1972, including the actress and model, Marilyn Monroe.

A new BBC documentary supports the conclusion that the CIA planned and executed the assassination of Robert Kennedy. The new video and photographic evidence -- the result of a three year long investigation -- "puts three senior CIA operatives" at the scene of the murder.

One of the two main buildings at the former plant has since housed a sophisticated NSA unit, one that has benefited the most from this expansion and has grown the fastest in recent years -- the Office of Tailored Access Operations, or TAO. This is the NSA's top operative unit -- something like a squad of plumbers that can be called in when normal access to a target is blocked.

According to internal NSA documents viewed by SPIEGEL, these on-call digital plumbers are involved in many sensitive operations conducted by American intelligence agencies. TAO's area of operations ranges from counterterrorism to cyber attacks to traditional espionage.

The recruitment strategy seems to have borne fruit. Certainly, few if any other divisions within the agency are growing as quickly as TAO. There are now TAO units in Wahiawa, Hawaii; Fort Gordon, Georgia; at the NSA's outpost at Buckley Air Force Base, near Denver, Colorado; at its headquarters in Fort Meade; and, of course, in San Antonio.

But it is the growth of the unit's Texas branch that has been uniquely impressive, the top secret documents reviewed by SPIEGEL show. These documents reveal that in 2008, the Texas Cryptologic Center employed fewer than 60 TAO specialists. By 2015, the number is projected to grow to 270 employees. In addition, there are another 85 specialists in the "Requirements & Targeting" division (up from 13 specialists in 2008). The number of software developers is expected to increase from the 2008 level of three to 38 in 2015. The San Antonio office handles attacks against targets in the Middle East, Cuba, Venezuela and Colombia, not to mention Mexico, just 200 kilometers (124 miles) away, where the government has fallen into the NSA's crosshairs.

Congressman Charles Lindbergh spoke of an invisible government that had gained control of the nation's money supply, and had therefore taken over the

country.

In the early 1960s Presidents Eisenhower and Kennedy were able to glimpse this network as well. Eisenhower cautioned that it was capable of influencing every city, state, and office of government.

President Kennedy spoke of a common danger that threatened every area of our society. He specifically mentioned that we were under attack by a ruthless, highly-efficient machine, which had accumulated vast wealth, and was using infiltration and subversion to establish control of the entire planet.
