[SaRaAshcraft/status/929089870211026944](#)

Someone just asked me "Who are the [#Hivites](#)?" Answer: All of the terrorists in the entire world, including ISIS & Antifa, and every deep state ever, are part of an ancient Babylonian cult family who have dominated & ruled every civilization on earth since biblical times 6000+ years

They claim they descend directly from the garden of Eden through Cain's line, & that Cain's parents were actually Lilith (the female 1/2 of God in Talmudic tradition) & a demon she made (aka the serpent or the devil). [#Hivites](#) [#Phoenicia](#) [#FollowTheWhiteRabbit](#) [#Welcome2Wonderland](#)

Cain was the first murderer, and one of the [#Hivite](#) mantras is "Murder is death, death is murder" meaning that none of them die a natural death, everyone in the cult is murdered, because they aim to overturn & corrupt everything that is "natural" [#PhoeniciaisFalling](#)

Later in the line of Cain, we reach Joseph in Genesis (of the technicolor dreamcoat fame, not the step father of Jesus). Joseph marries a woman named Asenath who is a Hivite priestess, described in Apocryphal texts as a "pagan" who undergoes a "ritual" with bee hive elements

This is to 'convert' Asenath from her [#Hivite](#) pagan occultist pedo rapist human sacrificing heritage so that she can marry Joseph. She and Joseph end up ruling over the Isrealites during the exile in Ancient Egypt. [#Hivites](#) [#Phoenicia](#) [#FollowTheWhiteRabbit](#) [#Welcome2Wonderland](#)

They give birth to a son, Ephraim, and later in this line comes Noah and his wife Naomi of the Ark fame. This is how the [#Hivite](#) culture married into State rule (Egypt) & found it's way into the modern era after the great flood (through the [#Hivite](#) priestess Naomi) [#Phoenicia](#)

Mary, mother of Jesus is descended from Naomi through King David/Solomon. Thus, Jesus, like me, was born into a [#Hivite](#) family & was likely tortured & dissociated as a child just like I was. This practice has perpetuated itself in FAMILIES since Babylon. [#Phoenicia](#) [#Hivites](#)

I believe Jesus woke up from the mind control, started teaching people to resist [#Hivite](#) control, & they crucified him (ritual sacrifice) & co-opted his message of self-reliance/empowerment & personal direct relationship with God and twisted it, just as he warned they would do.

The [#Hivites](#) twisted Jesus' message, which IS THE WAY to break free of the Hivite control mechanisms, and they replaced it with a narrative that served THEM better; one of self-sacrifice and service to evil [#Hivites](#). [#PhoeniciaisFalling](#) [#FollowTheWhiteRabbit](#) [#Welcome2Wonderland](#)

He was teaching people how to GET OUT of the mind control and resist the [#Hivite](#) civic power mechanisms. By teaching people not to look to other humans as external authority on God, and instead look within because the [#TRUTH](#) resonates, which doesn't require external authority.

The bloodline of the [#Hivite](#) culture by this time had made its way into many families and was expanding across the globe. The ancient [#Phoenician](#) culture was openly [#Hivite](#), with normalized pedophilia and public human ritual sacrifice. All to consolidate civic power and control.

Every royal family on earth, every alternative religion, every deep state ever, every Terrorist organization on Earth, every culture & community everywhere have been infiltrated by these [#Hivite](#) families. That is their method -hide in everything & subvert all to get total control

Many know the [#Hivites](#) by other names, such as "the 13th illuminati blood line" or the "lost tribe of isreal" and they are all connected and coordinated with each other. Even now, ISIS, Antifa, Elites, The Royal Families, the Masons and every other secret society ARE [#Hivites](#)

Their aim is to achieve "the great work" (ie: NWO, one world gov't under "benevolent despotism") - which would only serve THEM in seizing total control of humanity, normalizing pedophilia & ritual human sacrifice, & depopulating Earth through mass extermination of humanity (90%)

They have deliberately obscured their existence and their practices throughout history to ensure their survival and they perpetuate their system in a terrifyingly successful way through torture and mind control of their own children. [#Hivites](#) [#PhoeniciaisFalling](#) [#ItEndsNow](#)

My family tells me that we are descended from this same line, from Abraham by way of David/Solomon

and on through Mary, mother of Jesus. My family also claim Constantine & Charlemagne (i.e. ROME) as ancestors [#Hivites](#) [#PhoenciaisFalling](#) [#FollowTheWhiteRabbit](#) [#Welcome2Wonderland](#)

My father imbued me with enough information about this group and their lineage to put this all together on my own, from my own memories, and it seems to be confirmed by the evidence that is coming out now. [#Hivites](#) [#PhoenciaisFalling](#) [#FollowTheWhiteRabbit](#) [#ItEndsNow](#)

So all of these monarchies and evildoers and terrorist are all one group: [#Hivites](#). They hide in EVERYTHING and their goal is to corrupt and destroy everything and anything natural. They model themselves after Bee/Hive themes, they have queens and drones and workers. [#Phoenicia](#)

They are the only terrorists and they are all FAMILY. They lure non-family members into the cult too, but it is families who perpetuate the practice and keep it working in the world through their bloodlines. They obsess over genetics and strictly control who is allowed to "breed"

They intermarry all the time and have several unique genetic markers (like Ashkenazi DNA and Coloboma of the eye). They obsess over the "reptile brain" aka amygdala because it houses the pineal gland (Reptilians anyone?) [#Hivites](#) [#PhoenciaisFalling](#) [#ItEndsNow](#) [#Welcome2Wonderland](#)

They push false narratives (like reptilians and Satan and whatever works best at the moment) to incite fear & outrage in order to control the masses. They trick the public into thinking they need [#Hivite](#) leaders to protect them when in reality they only need protection FROM them.

They wrote the Gnostic gospels & (I believe) made up the Annunaki/Nephilim/Reptilians & other false narratives to obscure & hide their existence. They only need the sacrifice ritual to secure and consolidate political and civic power. They are pedophiles and want to normalize it.

They eat flesh and kill babies because it desecrates everything natural. They use blood for parabiosis to try and live forever, but "not dying" to them is not the same as living forever as we have come to understand it. Everything they do and say is SYMBOLIC [#EsotericWidsom](#)

"Not dying" to them means everyone in the cult is murdered, no one dies a natural death. Living forever is in name only. The first death is when your body dies. The second death is the last time someone speaks your name. Whoever is most famous lives longest & is therefore God.

But this is all just part of the false narratives to make them seem superhuman & externally powerful & authoritative - the rituals and practices are nothing more than self hypnosis and mind control of people who were all tortured the same way I was as children. [#Dissociation](#)

In their eyes, This IS the Apocalypse as described in the biblical book of Revelations - Apocalypse = the uncovering of something hidden, a revealing of that which has been obscured. [#Hivites](#) [#PhoenciaisFalling](#) [#FollowTheWhiteRabbit](#) [#Welcome2Wonderland](#)

So the biblical apocalypse is better understood as the [#EsotericApocalypse](#). This will all be revealed now and it will be the end of the world as we know it. We are witnessing the tribulation right now. [#FollowTheWhiteRabbit](#) [#WelcomeToWonderland](#) [#PhoenciaisFalling](#) [#HivitesGetLit](#)

They play humanity and culture like an alternate reality game (ARG anyone?) and it's ALWAYS a "choose your own adventure" game, where free will reigns supreme & they let you make your own choices (even though heavily influenced by post-hypnotic suggestion) [#MindControl](#) [#Hivites](#)

They are currently staging the final "Epic battle between good and evil" and it will be up to humanity to decide the outcome. They have been luring people into their fold with empty promises of power and immortality. All eventually come to see the big lie - it's all deception.

Because they've not yet been identified as a single group, they have been able to pit humanity against itself with false dichotomies, identity politics (race baiting anyone?), appeals to authority and other fallacies that fuel tension and aggression among the masses. [#Hivites](#).

They goad the masses into killing each other, and they are happy when people die. They want only enough people alive to serve them. When the population grows too large, the people rise up and oppose them, and their constructed civilization falls (Babylon, Egypt, [#Phoenicia](#) etc)

I say [#Phoenicia](#) because this is the last society in which they existed openly and practiced these methods of torture, mind control, and human sacrifice for consolidation of civic power. [#Hivites](#) [#FollowTheWhiteRabbit](#) [#WelcomeToWonderland](#) [#ItEndsNow](#)

A [#Hitive](#) named [#Zoroaster](#) brought this practice into what is now Iran (ISIS anyone?) and the Zoroastrian theology is very close to the doctrine they follow today = Dualism. [#Hivites](#)

[#PhoeniciaisFalling](#) [#Welcome2Wonderland](#) [#FollowTheWhiteRabbit](#) [#ItEndsNow](#) [#SayBraveThings](#)

They have infiltrated our government at all levels including the military, and they have been actively working to euthanize 90% of humanity. They are into epigenetics and eugenics and illegal human experimentation (MKUltra anyone?) [#ItEndsNow](#) [#PhoeniciaisFalling](#) [#Wonderland](#)

, the new Saudi crown prince Mohammed bin Salman, Vladimir Putin, and the leaders of China, S Korea, Phillipines, and Japan are ALL working together to fight them and give control back to the people.

[#PhoeniciaisFalling](#) [#HivitesGetLit](#) [#ItEndsNow](#) [#SayBraveThings](#)

That's [#hivites](#) in a twitter nutshell. I am happy to answer any questions you may have, as best I can. I am choosing to speak about this because I hope by NAMING it and bringing it out into the light (Revelation) this evil practice can finally STOP and humanity can survive.

Some additional thoughts: they use symbols like the butterfly to denote Monarch MK ultra programming. They use cats to denote Beta sex slave mk ultra programming. They call themselves Lions, Snakes, and reptiles. They worship will and intellect above all and are Godless. [#Hivites](#)

You may also know the [#Hivites](#) by other names: freemasons, illuminati, Khazarian, Ashkenazi, Antifa, Isis, Mormon, Scientology, Roman catholic, Muslim brotherhood, CIA, monarchy, deep state, shadow government, luciferian, etc. They will never identify themselves as [#Hivites](#)

Currently, as far as I can tell, they call themselves "OLD SCHOOL" [#Hivites](#) [#PhoeniciaisFalling](#) [#ItEndsNow](#) [#pizzagateisreal](#) [#SurvivorsUnite](#) [#followthewhiterabbit](#) [#Welcome2Wonderland](#)

They claim to follow the "true" religion of Abraham, and they describe Abraham as a "friend of God" which should be taken literally, as if Abraham was "God's" contemporary. They also call themselves "Children of God" and "The Family" [#Hivites](#) [#PhoeniciaisFalling](#) [#ItEndsNow](#)

They do a self sacrifice and rebirth (resurrection) ritual. Once you complete it, you are "Born Again" in the awareness of the cult. From what I can tell, I believe that, to them, I've done this now by waking myself up from the mind control. [#Hivites](#)

They are also responsible for the New Age movement, Born Again Christianity, and likely all of the cults you are familiar with. [#Hivites](#) [#PhoeniciaisFalling](#) [#ItEndsNow](#) [#pizzagateisreal](#) [#SurvivorsUnite](#) [#followthewhiterabbit](#) [#Welcome2Wonderland](#)

All of their methods are just mind control. I do not believe they wield any real, metaphysical power. I believe their rituals give the members a false experience, through drugs and self hypnosis, that make members FEEL something that they then gaslight you into believing is real

I also know for a Fact that faith in God as described by Jesus & following Christ-like principals is the ONLY way to survive & break free of this cult. They use vice & desire to ensnare you. They leverage relationships and attachments to control you. CHRIST SHOWED HOW TO RESIST.

You don't have to believe Jesus was the son of God to follow christ. The teachings and words attributed to Jesus are what matter most for breaking the psychological chains of mind control these people use.

[#Hivites](#) [#PhoeniciaisFalling](#) [#ItEndsNow](#) [#pizzagateisreal](#) [#SurvivorsUnite](#)

Here's a [#Hivite](#) doozy of a lie: G.O.D. = Guild of Doom. One head at the top of the pyramid is God (most powerful hivite aka most awful person of them all who's done any and everything to gain that position) 12 other heads at "the table" then on down the pyramid from there.

What I think this means is that there was a dude who could do these mind control tactics. He taught them to Abraham and convinced him it was a supernatural power. I'm struggling with my faith and understanding of God because of the spiritual abuses I suffered.

I believe there is one true God and I believe Jesus taught us how to connect with God directly, which saves us from looking to the [#Hivites](#) to tell us what God is or wants. The [#truth](#) resonates. We all must look within for these answers, not without, lest we become controlled.

Also, you can spot a [#Hivite](#) pretty easily. They usually have ancient symbols tattooed on their bodies, especially Phoenician & Egyptian symbols, or runic & viking symbols, anything ancient & esoteric is what they cling to [#Hivites](#) Know how2 spot them them, know how2 stop them

You can also spot a [#Hivite](#) by their behavior. They use mind control tactics (look this up to guard against it). They talk fast, pressure you to make decisions, they throw you off & then ask you to make split decisions [#mindcontrol](#) [#HivitesGetLit](#) [#PhoeniciaisFalling](#) [#ItEndsNow](#)

They use neuro-linguistic programming tactics and are often in positions of authority (addicted to serotonin, dopamine, and adrenalin) they are rude and uncaring, fake, and dishonest. LEARN HOW TO SPOT THEM, LEARN HOW TO STOP THEM. [#Hivites](#) [#PhoeniciaisFalling](#) [#ItEndsNow](#) [#MAGA](#)

They gravitate to sales and often are in the real estate field. Beware anyone who talks too much and then pressures you to make a decision, especially a big one! This is suggestion and mind Control! [#Hivites](#) [#PhoeniciaisFalling](#) [#ItEndsNow](#) [#followthewhiterabbit](#) [#wonderland](#)

Here you go! I found the thread.

here you go!

QAnon latest post confirms everything I've been saying about bloodlines, occultism, etc. [#Hivites](#) at the root. I feel validated. Thank you [@realDonaldTrump](#) [#FollowTheWhiteRabbit](#) [#Welcome2Wonderland](#) [#Fight4TheUsers](#) [#itEndsNow](#) [#HivitesGetLit](#) [#PhoeniciaisFalling](#) [#ItEndsNow](#) [#MAGA](#)
