Also, here's a comment I replied to that said he stopped listening after the mere mention of Corey Goode's name. Smh.

Corey's and everyone's RS is important. Our RS tells the truth and nothing but the truth, so it doesn't matter if it's the worst liar in the Universe, their REVERSE SPEECH will tell the truth, so if you don't want to listen to people's truth speaking side, then you're cutting off your nose to spite your face, but you do you. Also, Corey is what he is, but his RS indicates that he was Mk-ed as a child in Mk Ultra. That is VERY IMPORTANT RS to get out in his case because it tells us that our children are being Mk-ed in these programs. Being a snob really doesn't help our kids- Here's a video I did on Mk Ultra being done to our kids and more that includes the RS I found on Corey that indicates Mk Ultra being done to children which is the focus here that is important- The other focus that was important on where you stopped listening is that his RS indicated a military siege to get us to capitulate connected to transhumanism and child trafficking, so again, your loss if you don't want to hear the actual truth going on behind what Corey is presenting to the public-<https://www.bitchute.com/video/hfZG9atW06Z3/>
